Work Experience

California Institute of the Arts, Valencia, CA

Project Director, Online Education and Research, 04.2016 – present

In this role, I direct and collaborate with multiple teams to produce and deliver high-quality online course content and support learner communities. I work with academic administrators and institute partners to define programmatic and strategic goals for online learning initiatives and instructional technology. I advise instructors and project personnel on curriculum and instructional design, oversee video and asset production, and manage budgets and timelines.

- ◆ Direct CalArts' [Open Learning initiative](#), a portfolio of 26 courses and programs on our partner platforms Coursera and Kadenze. Led the design, development, launch, and marketing for 19 of those courses, and manage ongoing maintenance, updates, and marketing for all courses. Advise academic leadership on areas of opportunity. Cumulative reach of 880k users and \$1.2m in net annual revenue.
- ◆ Launched an internal platform, [Coursera for Campus](#), to enable free access to our Coursera courses for the CalArts community.
- ◆ Designed and delivered 5 hybrid courses for professional animators as part of an institutional partnership with *Ánima Estudios* in Mexico City. Conducted a needs analysis and market research to determine and assess training goals.
- ◆ Initiated and led the development of a pilot program of high-touch, intermediate-level online courses targeting adult learners worldwide.
- ◆ Created an open-source tool, the [MOOC Review Framework](#), to provide objective feedback on massive open online courses and generate a clear action plan for course improvements.
- ◆ Serve as the primary administrator of both instances of the institute's LMS (on-campus and extension).
- ◆ A core member of the Provost's academic continuity team in support of the institute's shift to remote instruction due to COVID-19.
 - ▶ Designed, developed, and co-facilitated [a comprehensive 12-hour training course](#) for faculty.
 - ▶ Led [15 professional development webinars](#) for faculty on best practices for online teaching and course design.
 - ▶ Launched an [online teaching resource wiki](#) that provides additional how-tos and support documentation for teaching online.
 - ▶ Provided lead coordination with IT and the Registrar on internal processes and policies to shift all courses to [the campus LMS](#), increasing usage from 12% to 70%.
